TRACTOR WEATHER COVERS

Weatherbrakes

Keeps you warm when the cold winds blow!

FEATURES:

- Designed to pay for itself in extra tractor hours worked!
- Up to 40% more warmth and protection than many other Weatherbrakes with a big windshield and no loose gaps or needless holes to let in cold and wind.
- Tooled and tailored to a precise pattern for a tight fit on each make and model of tractor.
- Uniformly waterproof, rip-resistant reinforced vinyl laminate is 1/3 lighter than canvas and ten times stronger.
- Heavy construction - sewn with nylon thread using double lock seams in stress areas; reinforced brass grommets.
- Windshield is plate-polished and wrinkle and distortion-free for maximum visibility and minimum eyestrain.
- Extra heavy windshield is framed in steel with rigid plastic centre section and flexible plastic side windows.
- Rustproof extra heavy gauge steel frame features baked on enamel finish, heavily plated nuts and bolts, and galvanized springs.
- Models available for rear entry tractors and side entry tractors with three universal models fitting over 300 tractors.
- Fewer pieces to fit together means faster, easier installation with no special tools needed.

PART NO.	DESCRIPTION
ACC895	Weatherbrake - Side Entry Large
ACC896	Weatherbrake - Side Entry Small

Femco Buggy Top Sunshade

3-BOW SUNSHADE SYSTEMS

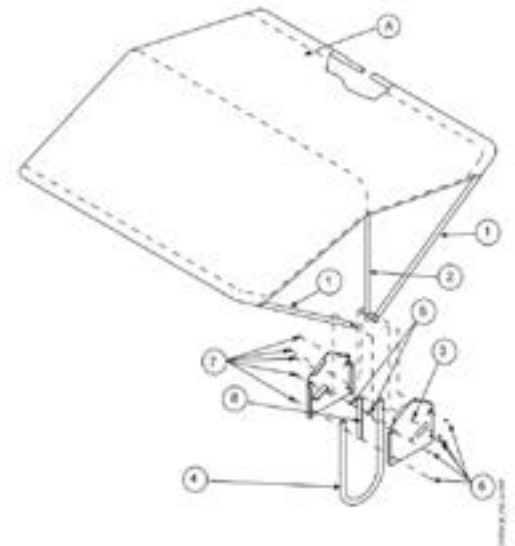

- Mounting bracket design which allows it to fit over most ROPS
- 180 degree forward or backward rotation
- Water resistant canvas covers
- Pre assembled components make field assembly fast and easy
- Yellow dichromate zinc plated steel provides a
- corrosion resistant, durable finish, no painted parts

PART NO.	DESCRIPTION
ACC2081	Canopy only, 40" 3 bow - yellow
ACC405272	Sunshade 40" Frame Only
ACC405582	40" Canvas Cover Only - Yellow

UNIVERSAL DESIGN ALLOWS IT TO FIT MOST AGRICULTURAL, CONSTRUCTION AND COMMERCIAL EQUIPMENT.

ITEM	DESCRIPTION
1	Bow Ss-29
2	Bow Center Ss-30
3	Bracket Bow End Ss-31
4	Arm Ss-32
5	Rubber "O" Ring
6	Bolt Hhcs 1/4-20 X 1.25" Gr5
7	Nut Hxcl 1/4-20
8	Trigger Ss-34

Tilt adjusts from seat quickly and easily. Operator merely loosens brackets holding curved bows to tilt canopy front or back to ward off sun and rain.

Half-open position allows operator to stand. Trigger release fold-away assembly provides fingertip release of bows for quick adjustment to stand-up position.

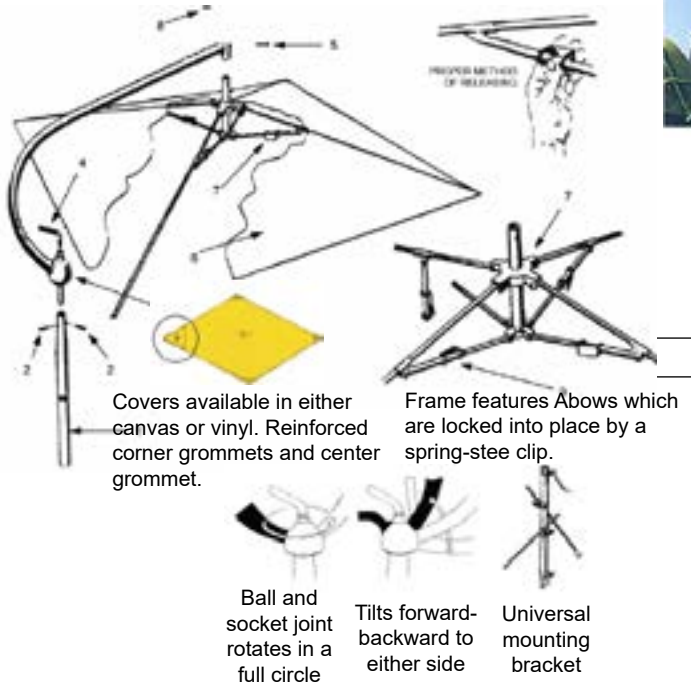

Folded position allows canopy to clear low barn doors and tree limbs.

Femco Umbrella

Standard Features

- Complete umbrella consisting of a cover, bracket and frame.
- Metal parts that are zinc-coated for long-lasting, maintenance-free service.
- Shafts constructed with 1 1/4" heavy duty steel tubing.
- Rigid framework for cover, built to withstand farm and industrial use.
- A Universal mounting bracket that adapts to all types of equipment.
- Umbrella covers are available in canvas or vinyl. We can custom silk screen OEM or dealer names on umbrellas.

Femco Umbrellas are available for tractors, combines, industrial and other equipment requiring operator sunshade protection.

Radiator Genie

Air and water cleaning wands for high efficiency cooling systems and all types of radiators

THE AIR WAND

- Attaches to common air compressors.
- Comes equipped with top quality Milton Industrial Plug (M Style).
- Is compatible with several different plug styles.
- Has an adjustable knob that will adjust pressure 50%.
- Has an "always on" feature for your convenience!

THE WATER WAND

- Attaches to a standard water hose.
- Will spray 40 feet on standard household water pressure alone.
- Will eliminate the need to lug around a heavy power washer.
- Has an adjustable knob to adjust pressure 50%.
- Has an "always on" feature for your convenience!

PART NO.	DESCRIPTION
ACCRG-1002-WH	Radiator Genie Tractor (2/Pk)

INDUSTRIAL WAND

- Allows air and water cleaning all within a single wand
- Extra long 50" tube to access confined areas
- Air wand blows away dust and debris. Comes with an M-style air fitting connector, but can be switched for use with other style plugs
- Water wand washes grease and grime. Attaches to standard water hosing
- Has an always-on feature
- Patented fan head provides high levels of pressure and a wide working width
- Durable metal handle and design
- Can be used with a large variety of different industrial equipment

PART NO.	DESCRIPTION

JACKS

Agricultural Jacks

- Ideal for use with ag, industrial, commercial, recreational and many other types of trailers.
- Bracket models available with a durable black powder coat outer tube and with a durable zinc finish inner tube or with a durable clear zinc finish outer and inner tubes.
- Bracket mount and pipe mount top wind models come standard with a comfortable red claw knob on a clear zinc solid bar handle that can be folded away when not in use.
- All bracket mount models have a deep seated snap ring for side load support and also include a raw weld on bracket.
- All pipe mount models include a pin and lanyard assembly as well as a 2" raw male mating pipe.
- All bracket mount and pipe mount models come standard with a grease zerk for easy greasing of jack.
- All bracket mount and pipe mount models come standard with a welded on 3-3/4" x 7-1/2" durable zinc finish sand foot.

HammerBlow Jacks

Top Wind (TWR)

Side Wind (SWR)

Features:

- Engineering test programs have determined the optimum "Tube Overlap" to minimize side load failures.
- "Outer Tube" is engineered to handle both vertical and side loads with ease. Provides dependability and long life.
- "Inner Screw" features rolled Acme Threads providing long lift and low handle effort. Nearly a half-century of proven, dependable service in the field.
- Extensive lab and field testing of "Inner Tube" guarantees an extra margin of strength and durability.
- Large load-bearing "Disc Foot" provides stability you can count on.

- Reduced "Handle Effort" achieved through use of alloy Nut and Thrust Bearings. Extensively field tested and proven on the job.
- "Handle" is right length for smooth cranking action – eight turns per inch of travel. Folds and locks out of the way when not in use. Hefty Knob is secure and comfortable in hand.
- "Extrusions" on swivel Plate Face provide clearance so dirt can fall free.
- Made in USA.

Hi-Lift® Jacks

Don't Settle For An Imitation — The Difference Is Quality!

With over 100 years of quality, the Hi-Lift Jack is a rugged, highly versatile jack that puts you in command of situations requiring lifting, pushing, pulling, winching and clamping. Although light in weight and easy to maneuver, the Hi-Lift Jack offers a rated capacity of 4,660 lbs (2,114 kg) and a tested capacity of 7,000 lbs (3175 kg).

Only Hi-Lift Jacks are tested and certified to meet applicable requirements of ASME B30.1-2015 international standard.

Hi-Lift Jacks are made with a two-piece handle and socket design that is built for extended life. Cheaper imitations use a one-piece design that bends easily if lateral pressure is applied while lifting a load.

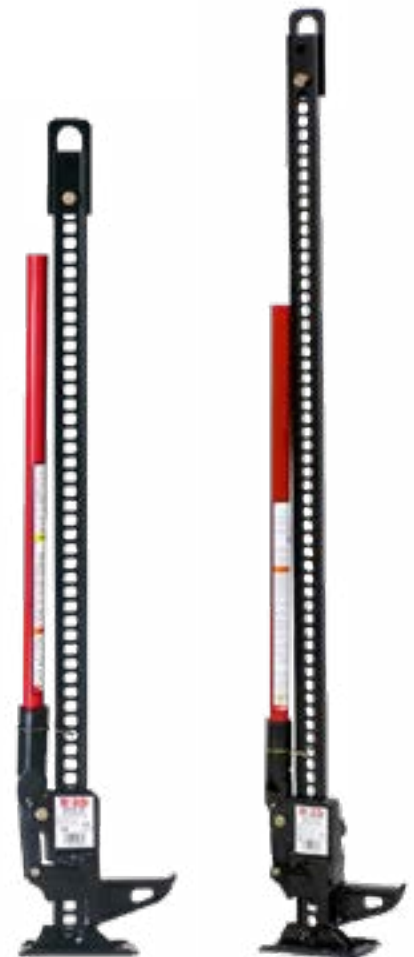

These jacks are designed to help you survive in the most demanding situations. With a full-range of specially designed accessories, the Hi-Lift jack is just about the most versatile piece of off-roading/farm/auto recovery equipment you can buy!

Hi-Lift® Cast/Steel Jacks

The cast and steel jack is exactly the same as the all-cast jack except that it has four stamped high-strength steel parts. The parts are formed and stamped in-house; this allows Hi-Lift to offer the jack at a lower price, yet still maintain the rigid quality standards that every Hi-Lift product must meet.

- Made of Cast & Stamped Steel Parts
- 7,000 lb (3,175.14kg) Tested Capacity
- Available in 48" & 60" Heights (122 & 152 cm)
- Lifts, Winches, Clamps & More
- Tested and certified to meet applicable requirements of ASME B30.1-2015

AUTOMOTIVE CARE & DETAILING

Brake & Parts Cleaners

Brake & Parts Cleaner - Industrial (Non-Chlorinated) - G4

- Advanced formulation of cleaning solvents that quickly dissolve and remove grease, oil, brake fluid, road grime and dirt from brake parts, CV joints, disc pads, drums and other components.
- Helps to reduce brake squeal and leaves no residue, is fast drying and has a low odor.
- High pressure delivery and is for professional use only.

PART NO.	SIZE
ACC45246	482 g

Brake & Parts Cleaner (Non-Chlorinated) - G4

- Bulk format.
- Advanced formulation cleaning solvent that dissolves and removes grease, oil and dirt from brake parts and C.V. joints.
- Does not leave film or residue, helps reduce disc brake squeal and will not damage rubber components or paint when used as directed.
- Available with a pull-up spout or a threaded opening to fit spigot tap.

*Spigot sold separately.

PART NO.	SIZE	TYPE
ACC44140	18.9	Pull-up
ACC45251	18.9	Threaded

Lubricants & Greases

Penetrating Lubricant - G2

- High strength, fast acting lubricant. Loosens and lubricates tight or sticky parts.
- Ideal for use on bolts, nuts, hinges, locks, tools and rollers.
- Stops squeaks.
- Displaces moisture and helps prevent rust.

Silicone Lube - G6

- Contains 100% pure high viscosity silicone.
- Lubricates, stops squeaks and prevents rust.
- Prevents rubber from freezing and sticking to metal, while keeping it flexible.
- Helps rustproof tools and barbecues.

White Lithium Grease - G7

- High performance grease lubricates parts and metal while protecting against rust.
- Withstands high heat and is water resistant.
- Ideal for home and the office. Safe on most paints and plastics. Silicone free.

Specialty

Gravel Guard Undercoating - G8

- Tough, flexible, textured black coating that provides protection against road abrasion and weathering. It is paintable and offers excellent adhesion to metals and plastics. Superior protection against rust, corrosion, moisture and abrasion.
- Quickly dries to a flexible, textured surface. Reduces road noises and vibrations.
- Ideal for rocker panels, wheel wells and under-body. Silicone free.

Tech Lube - G24

- Lubricant film offers long lasting protection with corrosion and rust inhibitors.
- It penetrates the surface and offers a strong, durable, and lasting barrier.
- Non-drip formula that will not evaporate, will not dry, and repels water.
- Will not harm plastic, painted surfaces or synthetic rubber materials.
- Silicone free and solvent free.

Penetrating Foam - G28

- Penetrates through rust and surfaces to allow tight or sticky parts to be loosened.
- This No Drip foam formula lubricates and protects surfaces against rust. Repels water and displaces moisture. 360° valve allows spraying from any angle.

Rust Control

Corrosion Guard - G21

- Protects metals from rust, keeps moving parts and mechanisms well-lubricated, penetrates to loosen seized parts and inhibits corrosion in vulnerable crevice areas.
- Multi-purpose lubricant and rust inhibitor.
- Ideal for use on bearings, pins, bushings, linkage, rollers, hinges, locks, electronics, electrical equipment, black boxes, control panels, switches, and dials. It also displaces moisture.
- Great for do-it-yourself automobile corrosion protection or touch-ups of rust-proofed vehicles.
- Use on cars, trucks, boats, locks, power tools, lawnmowers, snowmobiles, nuts, bolts and much more.

ACC45021

ACC45025

Pro-Tex No Drip Oil - G25

- Long lasting, water resistant lubricant and rust inhibitor.
- Coats and protects metals from rust, keeps moving parts and mechanisms well lubricated, penetrates to loosen seized parts, and inhibits rust in vulnerable crevice areas.
- Effective corrosion protection for outdoor equipment.
- Ideal for do-it-yourself vehicle undercoating and protecting battery terminals.
- Use to protect equipment for winter storage.
- Silicone free and solvent free.

ACC45021	Corrosion Guard (G21)	400 g
ACC45025	Pro-Tex No Drip Oil (G25)	400 g

Degreasers

Engine Shampoo - G1

- Fast acting and heavy duty degreaser cleans heavy grease, dirt, grime and oil deposits on engines.
- Non corrosive cleaner does not harm paint, electrical wiring or plastic coating.
- Ideal for use on automobiles, trucks, power mowers, boats, tractors and industrial machinery.

ACC45001

ACC45009

Air Intake Carb & Choke Cleaner - G9

- Effectively lubricates and cleans dirt, gum and varnish from carburetors, fuel injection throttle bodies, air intakes, automatic chokes, PCV valves and throttle linkage.
- Improves performance of the vehicle.
- Safe to use for any automobile, trucks, boats or other engines.

PART NO.	DESCRIPTION	SIZE
ACC45001	Engine Shampoo (G1)	475 g
ACC45009	Air Intake Carb & Choke Cleaner (G9)	418 g

Interior Care

Carpet & Upholstery Foaming Cleaner

- Stain fighting formula quickly cleans carpets, fabric, and vinyl.
- Deep cleaning foam gently lifts and removes grease, dirt, and stains without saturating.
- Dries quickly without leaving any residue to prevent re-soiling.
- Ideal for carpets, floor mats and upholstery including seats.

ACC44016

ACC44033

ACC44061

Salt & Stain Remover

- Specially formulated to deep clean, break up and remove stubborn salt and other stains from your car's interior without water.
- Ideal for floor mats, carpets, seats and upholstery.

Leather Cleaner & Conditioner

- Specially formulated to clean, nourish, and hydrate your leather all in one step.
- It contains no harsh ingredients that can damage, discolor or dull leather.
- Strong enough for tough jobs but gentle enough for the finest leather.

PART NO.	DESCRIPTION	SIZE
ACC44016	Carpet & Upholstery Cleaner	500 g
ACC44039	Salt & Stain Remover	400 g
ACC44061	Leather Cleaner & Conditioner	375 ml

Detailing

Foaming Glass Cleaner (Ammonia Free)

- Industrial strength, non-drip formula cleans glass surfaces quickly removing bugs, dirt and grime.
- Dries fast and never leaves streaks, smears or residue behind.
- Safe for tinted windows.

ACC44005 ACC44019

Ultimate Shine

- Beautifies, renews and protects surfaces providing a rich finish on vinyl, leather, rubber and plastic.
- Use to shine and protect dashboards, air vents, doors and truck seats.
- Our UV anti-static formula repels dust and protects against UV rays.
- Ideal for cars, boats and trucks.

PART NO.	DESCRIPTION	SIZE
ACC44005	Foaming Glass Cleaner	517 g
ACC44019	Ultimate Shine	400 g

Bug & Tar Remover

- Specially formulated to dissolve, lift and remove difficult to clean tar, bugs, tree sap and grease from the body of your car.
- It is easy to apply and clean off, is clear coat safe and leaves the surface of your car smooth and shiny.

ACC44035 ACC44038

Spray Wax Waterless Wash & Wax

- Wash and wax your vehicle, boat or truck without water in three easy steps. Spray and wipe then buff.
- Carnauba Wax formula offers a superior shine and protection.
- Innovative formula offers protection from UV rays and repels dirt and dust.
- Deep cleaning agents lift and remove tar, bugs, grease and dirt.
- Use on body, rims, glass and mirrors including metal, aluminum, stainless steel, plastic and fiberglass surfaces.
- Silicone free and Teflon free.

PART NO.	DESCRIPTION	SIZE
ACC44035	Bug & Tar Remover	487 g
ACC44038	Waterless Wash & Wax	496 g

Emzone Aerosol Easy Grip

- Easy grip trigger is very durable and ergonomic.
- It helps reduce finger fatigue and is also arthritis friendly.
- Spray with ease.
- Ideal for all aerosol cans, cleaners, paints and lubricants.

PART NO.
ACC44000

Tire & Rim Care

Foaming Tire Shine

- Cleans, shines and protects your tires in one easy step.
- No wiping, no rubbing, no mess. Just spray and walk away.
- Our special formula lifts and dissolves dirt leaving your tires with a gloss finish.

Rim Protector

- Forms an invisible protective barrier that repels brake dust, road grime, grease and dirt.
- It prevents brake dust and grime from sticking to the surface, which keeps rims clean longer and makes cleaning easier.
- One application lasts up to 4 weeks.

Rim Cleaner

- Aggressively cleans and dissolves brake dust, road grime, grease and dirt to leave your rims with a brilliant shine.

Glass Cleaner Ammonia Fortified

- Extra-strength cleaning spray.
- Removes stubborn grease, dirt, and grime.
- Ideal for windows, mirrors, and other glass surfaces.
- Cleans shiny chrome, porcelain, tiles, and counter tops.
- Uniform spray for even coverage.
- Leaves glass and mirrors, extra shiny and streak-free.
- Fast drying formula, leaves no streaks or film.
- Not suitable for tinted windows.

Screen Cleaner Spray

- Emzone Screen Cleaner cleans a wide-range of electronic devices including tablets, laptops and smartphones.
- The Screen Cleaner formula works to remove fingerprints, dirt and smudges while protecting your electronic surface.
- Anti-static properties keep screens cleaner longer.
- Alcohol and ammonia free.
- Ideally used with premium microfiber cloth.
- Can be used on other surfaces.

Air Duster

- Blast away dust and dirt from electronics, and office equipment including keyboards, printers, phones, and photocopiers.
- Ideal for cleaning hard-to-reach areas in any household.
- Non-ozone depleting formula is moisture free, leaves no residue and is VOC complaint.
- For office, home, car or any location requiring a pressurized air cleaning solution.

A/C Refrigerant Care

12a A/C Cool Refrigerant

- 12a A/C Cool Refrigerant is an environmentally friendly replacement alternative for ozone depleting R-12 and global warming 134a products.
- Emzone A/C Cool 12a Refrigerant offers superior performance resulting in colder vent temperatures, lower head pressure, improved system efficiency and greater gas mileage.
- Our 12a products are eco-friendly, non-ozone depleting and system safe.

12a A/C Refrigerant (Cylinder)

- 12a A/C Cool Refrigerant is an environmentally friendly replacement alternative for ozone depleting R-12 and global warming R134a products.
- The cylinder offers an economical option for professionals.
- Non-toxic and Non-Ozone Depleting. Contains high performance oil to improve system efficiency.

**Core charge will be added*

ACCCF1	Cab'n Fresh Scent Pouches (Box Of 4 Pouches)

Tub O' Towels

The World's Hardest Working Wipes!

BREAK IT DOWN, WIPE IT AWAY!

Once the bond is broken and the dirt dislodged, Tub O' Towels' proprietary, high-performance blend of detergents and emulsifiers goes to work dissolving greases, oils, fats and proteins, enabling cleaning, while foaming agents lift the grime and dirt so it can easily be wiped away. This special synergistic solution is the result of years of testing and trial to create the perfect recipe for optimal wipe performance. It's safe to use on virtually any surface.

FEATURES

- 90 Count - 10"x12" oversized wipe.
- These heavy-duty cleaning wipes remove even the toughest grease, grime and stains.
- Industrial strength formula removes grease, tar, ink, paint and many other tough messes on hands and most surfaces.
- Extra large wipes with durable fiber weave are bigger, stronger and tougher to ensure maximum durability and performance.
- VaporLock™ canister is made of heavy-gauge plastic with locking lid to minimize solution evaporation.
- Every wipe is 100% solution soaked from the first to the last.
- No harsh chemicals, only biodegradable cleaning agents.

PART NO.	DESCRIPTION
MISTW90	Tub Of 90 Towels (10" X 12")

FEATURES:

- Smooth side for removing everyday dirt, rough side for more stubborn grime
- Large 10" x 12" wipe is made with an industrial strength formula
- 100% solution soaked to keep all wipes in the container saturated and ready to use.
- Vaporlock canister made of heavy-gauge plastic with locking lid to minimize solution evaporation
- Removes grease, tar, ink, paint, permanent marker, and other tough stains
- Doesn't contain harsh chemicals, only biodegradable detergents, solvents and emulsifiers
- Contains aloe, lanolin and vitamin E to protect hands and leave them clean and soft

PART NO.	DESCRIPTION
MISTW75-DT	Tub O' Towels Heavy Duty Dual Texture Cleaning Wipes (75 Count)

Precleaned, hard and nonporous surfaces	55

Odoban Ready-To-Use

- OdoBan Ready-to-Use is a multi-purpose cleaner, disinfectant, and odour eliminator.
- OdoBan eliminates unpleasant odours on washable surfaces in areas such as kitchens, bathrooms, diaper pails, automobiles, showers, walls, and floors, while leaving a fresh scent.
- OdoBan is a sanitizer that kills 99.99% of germs such as Streptococcus pyogenes (Strep), Escherichia coli 0157:H7 (E. coli) (pathogenic strain), Listeria monocytogenes, Staphylococcus aureus (Staph), and Klebsiella pneumoniae on hard, nonporous, nonfood contact surfaces.
- OdoBan is a disinfectant that kills germs on pre-cleaned surfaces. OdoBan controls mould, inhibiting the growth of mould and mildew.
- OdoBan is a fungicide that kills germs such as Trichophyton interdigitale (the athlete's foot fungus) when used on surfaces in areas such as locker rooms, dressing rooms, shower and bath areas, and exercise facilities.
- Use as directed on the label.
