BULLDOG RATCHET JACKS

Bulldog strength and durability puts this tough and trusted Ratchet Jack ahead of the rest. Every working part is manufactured using the highest quality assurance standards. Each engineering detail is designed for maximum strength and functionality. Every surface is protected against wear and weather. Put it all together and you've got a jack you can depend on for years of trouble-free service.

Count on Bulldog Ratchet Jacks for:

- Load bearing and lifting
- Height adjustment
- Three point hitch elevation
- Implement leveling
- Wheel extension and retraction

Bulldog Ratchet Jacks Outperform the Competition:

- 16,000 pounds pull (tension)
- 10,000 pounds push (compression)
- Stainless steel flat ratchet spring tested to 20 times the competition's life
- $\frac{3}{8}$ " U brackets tested to the endurance limit specified by a major OEM. Exceeds competition's life by a factor of six.
- 20" retracted, 28" extended

- Painted outer tube (black)
- 2 zerk fittings
- Hexagonal jam nut
- Yellow zinc dichromate plated 12" handle and cotter pin included
- $\frac{3}{8}$ " thick yellow zinc plated U brackets
- Reinforced steel assembly housing with user friendly pawl
- Stainless steel flat spring
- $1\frac{1}{8}$ " - 5 yellow zinc dichromate plated Acme screw
- 2 - 1" diameter pins with clips included
